

CRESTWOOD ELEMENTARY SCHOOL

We pledge to work toward achieving the following conservation goals in the 2002-03 school year.

I. WASTE REDUCTION and RECYCLING

Goal: Reduce the school's waste volume by 5 percent or reduce the school's waste volume by at least 15 percent if food waste is composted.

II. WATER CONSERVATION

Goal: Reduce school water consumption volume by 20 percent.

III. ENERGY CONSERVATION

Goal: Reduce school energy consumption by 10 percent.

IV. ADDRESSING ENVIRONMENTAL ISSUES in the CLASSROOM

- Goals:
- (1) Integrate environmental issues into the curriculum of one or more classrooms.
 - (2) Defenders of the Planet Club will provide a conservation and waste reduction presentation to all classrooms.
 - (3) Provide recognition to students and staff for their efforts.

We the undersigned hereby pledge to actively and creatively support our school's efforts to achieve the goals listed above.
